HAPPY FATHERS DAY

A Dad is a person
Who is loving and kind
And often he knows
What you have on your
mind.

He's someone who listens,
Suggests, and defends.
A dad can be one
Of your very best friends!
He's proud of your tri-
umphs,
But when things go wrong,
A dad can be patient
And helpful and strong
In all that you do,
A dad's love plays a part.

There's always a place
for him
Deep in your heart.
And each year that pass-
es,
You're even more glad,
More grateful and proud
Just to call him your dad
Thank you, dad
For listening and caring,
For giving and sharing,
But espe-
cially for
just being
you!

Father's Day is a day of honoring fatherhood and paternal bonds, as well as the influence of fathers in society. In Catholic countries of Europe, it has been celebrated on March 19 as Saint Joseph's Day since the Middle Ages.

~Congratulations Building Blocks 2026 Graduates~

The year has gone so quickly by,
And now it's time to say goodbye.
And though we'll miss each one of you,
We're proud of what you each can do!
You know your colors red and blue and
now you know your numbers too.
You know your letters A to Z
And how to write your name for me.
You've read some stories, sang some songs.
You each have learned to get along.
You've played together
Laughed and cried
Throughout the year
How hard you've tried
Congratulations one and all
You're off to big kids school this fall!
