November 2026

Sandbox News

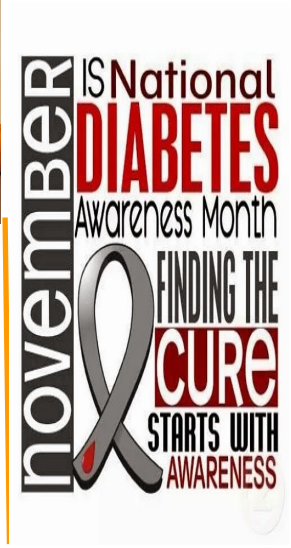

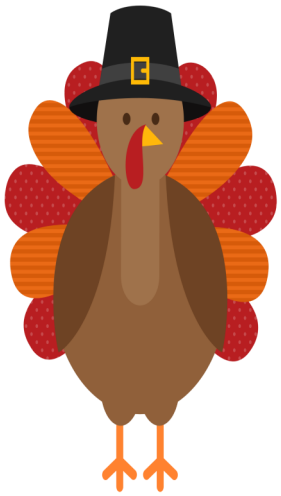

Building Block Learning Academy's Newsletter

The season is upon us for us to reflect on the things we are thankful for. While many of us remember to appreciate the big things, let's also take this time to cherish the small things that bring joy and happiness to us on a daily basis and spread that happiness to others less fortunate than ourselves. From our Building Blocks Learning Academy Family to yours, thank you for sharing your family with us and we hope that this is a Thanksgiving to Remember!

November Co-Payments are due by November 5th!

"November Happenings"

November is a time to reflect on how thankful we are. We all have so much to be thankful and grateful for. We would love to know any suggestions or feedback about the center. We would also like to promote how

much of a GREAT school Building Blocks Learning Academy is, in an effort to reach our 100% enrollment goal. Parents who refer a family to Building Blocks Learning Academy will receive a $25 gift card after 90 days of the referred family's enrollment!

Grateful for small things, big things and everything in between.
