### St. Patrick's Day

Celebrated each year on **March 17th** in honor of Saint Patrick, the patron saint of Ireland. Over time, the holiday has become a celebration of Irish culture and traditions. People often wear green because Ireland is known as the "Emerald Isle" for its lush green landscape, and the shamrock—a small green clover. Both associated with Saint Patrick. Wearing green has become a fun way to show festive spirit and celebrate the day!

Everyone is encouraged to participate and wear your favorite green outfit. It might even bring you luck!

## School Matters!

### Attend Today, Achieve Tomorrow

We want to remind you how important your role is in helping our future leaders succeed. Regular school attendance is one of the most critical factors in a student's academic success and overall development.

When students attend school consistently, they build strong routines, stay engaged with their learning, and form valuable relationships with their peers and teachers. Every day in the classroom is a step toward a brighter future.

Let's work together to make sure our children are present, prepared, and ready to grow.

Your support makes all the difference!

Thank you for being a vital part of our school community.
